

River Valley Players

R.V.P. is the community theater association serving the River Valley area.

R.V.P.'s primary goal is to provide high quality productions of both the classic and contemporary styles.

River Valley Players strives to produce a minimum of three shows a year, along with sponsoring other theater-related events.

With the cost of producing shows rising every year, and the need to maintain and upgrade facilities and equipment used by **R.V.P.**, ticket sales alone are not enough to keep the productions going. **R.V.P.** requires a membership base to provide both financial stability, as well as volunteerism, to assist with productions and the daily operation of the organization.

Please take the time to look over our membership information. We look forward to your support of live theater in the River Valley area.

Thank you for your generous support,

RVP Board
